

Frank Frenzy

Residing in Toronto, Canada, Frank became a dj because he enjoyed playing for others.

He started dj'ing at friends parties, then progressed to weddings, corporate events and established 2 nightclub residencies a week.

Frank now dj's, hosts and produces his radio show on 100.7 CHIN FM Toronto every Friday mornings from 3 a.m. to 5 a.m. (-5 GMT) where he can reach a large audience with the 85,000 watt transmitter located at the CN Tower.

In his show, he features international dj's as well as exclusive tracks from artists and world renown record labels from around the world. He has featured heavyweights like Tiesto, Paul Van Dyk, Armin Van Bureen just to name a few.

Besides beign busy with his FM radio mixshow, Frank is also busy operating his corporation, DJ Frenzy Inc, which is an association of essential elements providing an agency, FM and Internet radio promotion, a record label and live recording services for the electronic dance music industry in Toronto.

Frank is now working on his frenzy signature sound productions for House and Trance music to be released soon to the world.
